**BE A HERO FOR KIDS WITH
CHILDHOOD HEART DISEASE**

BECOME A SUPER BOSS

We're looking for Bosses brave enough to dress as a Super Hero for a day to raise money for HeartKids. You can do this by following these simple steps:

- 1)** Go to the website www.superbosday.org.au
- 2)** Register as a Super Boss.
- 3)** Set your fund raising target starting at \$500.
- 4)** Commit to wearing a Super Hero outfit on Super Boss Day 19th February 2015.

TWO WAYS TO GO

- 1)** The Boss can challenge the staff to make him or her a Super Boss by reaching their fund raising target.
- 2)** The staff can challenge him or her to become a Super Boss by them achieving their funding target.

PLEASE CHOOSE A CHALLENGE FOR HEARTKIDS.

Be a hero for HeartKids

Who are HeartKids

HeartKids help care for the psychological and emotional wellbeing of the child and family after the diagnosis of Childhood Heart Disease (CHD) during treatment and post surgery.

We work to create a positive, healing environment in hospital and to reduce the impact of CHD enabling heart children the opportunity of the best quality of life.

What is Childhood Heart Disease (CHD)

The incidence of CHD is far greater than people expect. Although it comes as quite a shock to family and friends alike, an astounding six Australian babies are born with heart disease every day. Heart defects are the most common birth abnormality, affecting 1 in 100 babies.

CHD is the leading cause of death for Australian children under the age of one accounting for more than 30% of all childhood deaths. Sadly, four precious lives are lost every week, and there is no known cure.

Why should you get involved

Funds raised from Super Boss Day will go towards supporting families who have a child with heart disease.

So join the fun and register to be a Super Hero, and make a super difference in the lives of thousands of families.
